Acknowledgement of Country

The Palm Island Community Company acknowledges the Traditional Owners of Palm Island, the Manbarra people. We also acknowledge the many First Nations persons who were forcibly removed to Palm Island, and we recognise these persons and their descendants as the historical Bwgcolman people. We recognise the continued connection of the Manbarra and Bwgcolman peoples to the land and waters of this beautiful island. We pay respect to Manbarra and Bwgcolman Elders, their ancestors, all First Nations peoples, and our ancestors who walk in the Dreamtime.
